

Do you struggle to afford your medications?

Better Health Pharmacy can help!

FREE prescription medications for all, including those who:

- Have insurance but cannot afford co-pays
- Do not have health insurance

All you need is a prescription from your doctor.

(No proof of citizenship, residency, or income is required)

Medications commonly available include:

Stomach: *Protonix and Famotidine*

Heart: *Amlodipine, Atorvastatin, and Simvastatin*

Mental Health: *Celexa, Prozac, Seroquel, Trazodone, and Zoloft*

Pharmacy stock changes daily. Call (408) 794-0564 or visit BetterHealthRx.org to check if we have your medication available.
