

VIRAL VIDEO CONTEST

MAKE A DIFFERENCE!

Young people 15-24 years old account for half of all new sexually transmitted infection (STI) cases. Do you want to be part of the solution?

Unleash your creativity by recording a video or performance that encourages safer sexual behavior and addresses the stigma around STIs.

Winning videos will be highlighted in recognition of STI Awareness Month in April.

Capture a 30 to 90 second video of a skit, song, dance, animation, etc.

Upload your video on YouTube and share it on social media tagging #GoViralSCC

Complete the online application at GoViralSCC.org and submit your video. Submissions accepted through **March 8, 2024**

Must be a high school age youth living in Santa Clara County or attending high school in Santa Clara County to participate.
